

K-8 DESIGN THINKING *for* STEM EQUITY

A guided facilitation and professional learning opportunity to tackle inequities in STEM education.

When we *all know* ... it's not fine
... and have the chance to build
anew together.

With a focus on *JOY, PASSION, LEARNING* and *CONNECTION* ... we will ...

- learn to listen with our *hearts* and *minds* through a *human centered design process* with fellow educator teams from across the state.
- *identify, explore, and value* the skills, mindsets and experiences students bring to our classroom that impact *how they see themselves* as STE(A)M learners.
- design ways to *empower student voice* within our STE(A)M curricula and community.

Dates

Feb 16 | Feb 23 | Mar 7 | Mar 21 | Apr 4 | Apr 25

\$875 Stipend

Interest Form

**Limited spaces will fill quickly*

EQUITY

Teacher Teams comprised of 2-3 teachers and building administrator (*ideally, but not required*)

4:30 pm - 7:00 pm | *Virtual Sessions*

Week 1 → Introduction to Human Centered Design

Week 2 → Empathize

Week 3 → *Interview*

Week 4 → Define

Week 5 → *Coaching*

Week 6 → Ideate

Week 7 → Spring Break

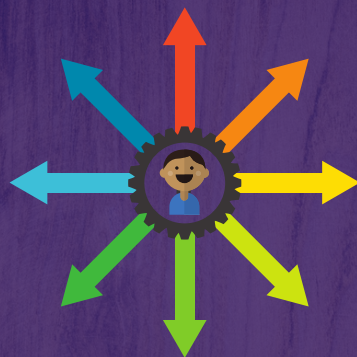

Week 8 → Prototyping and Testing

Week 9 → Prototyping and Testing

Week 10 → Prototyping and Testing

Week 11 → Storytelling

Week 12 → Optional

Our Facilitator

Katie Krummeck

As a educational designer and national thought leader, Katie leverages the power of design to drive change in the K-12 education system.
