

# April e-Blast

Oregon Coast STEM Hub

[oregoncoaststem.oregonstate.edu](http://oregoncoaststem.oregonstate.edu)

## April Events

April 11 - HMSC Marine Science Day in Newport

April 21 - Oregon Coast Renewable Energy Challenge in Newport

April 25 - Oregon Regional MATE ROV Competition in North Bend

April 15 - Oregon Science Olympiad in Corvallis

April 18 - Oregon Game Project Challenge in Salem

See the [Student Events page](#)

## Teacher Professional Development

April 10 start - Diving into Underwater Sensors and Arduino - online

April 25 - Early Childhood Workshop in Newport

April 28 - The Science Behind Native Oyster Restoration, Spotlight on Coastal STEM - online

April 30 start - Picture Perfect Science course - online

May 6 - Exploring Chemistry and Physics with Vernier Equipment in Rockaway Beach

May 15 - Exemplary Practices for Engaging Girls in STEM in Newport

May 16 - Hands On STEM half-day workshops in Newport

See the [PD page](#)

## Plan Ahead for Upcoming PD

Project DEMILO - Apply by April 15

Understanding the NGSS - on-site and online in June

Using Vernier Technology to Teach NGSS - online in July

NAME Conference - July 20-24

See the [PD page](#)

## Summer STEM for Students

Summer Experience for  
Science and Engineering for  
Youth, July 12-17 in Corvallis

More camps on the coast!

See the [Summer page](#)

## Funding

NAME Conference  
Scholarships - due April 15

NAAEE Conference  
Scholarships - due April 30

NOAA Ocean Guardian  
School - due May 1

See the [Funding page](#)

## *HMSC Marine Science Day!*

Explore marine science and engineering careers and  
research by attending the Hatfield Marine Science  
Center free open house on April 11th from 10am - 4pm.  
Stop by the Oregon Coast STEM Hub table and say hello.
