## End of Summer

The Oregon Coast STEM Hub just completed and submitted our report to the Oregon Department of Education detailing activities and impacts for the 2013-2015 biennium. Thanks to all of our partners, we have been able to accomplish a great deal in a short amount of time! [Read the report](#)

## Climate Change

**Educators:** Attend a FREE one-day Climate Change workshop in Corvallis on August 11th. Meet OSU climate scientists, tour the Ice Core Lab and Sediment Core Lab, and engage in hands on

## Toshiba Grant

**Science and math teachers:** Do you need funds to implement an innovative classroom project idea? Apply for a Toshiba America Foundation (TAF) grant. Grade K-5 applications are

## Industry Perspective

A few months ago, **Engineering Live** hosted a webinar where a panel of industry leaders discussed the topic "*How Do We Get More Kids Into STEM?*" Watch the archived program to hear

activities. To register, contact

## Coastal Learning Symposium - Oct 9, 2015

The 5th annual Coastal Learning Symposium invites pre-K-12 educators, informal educators, higher education professionals and others to come together to share and refine their skills for using the ocean, forest and community as a context for learning across grades and subjects. The Oregon Coast Aquarium partners with the Oregon Coast STEM Hub and Oregon Forest Resources Institute to offer this unique learning experience. Register by September 4th to get the Early Bird Discount!
