Environmental Education Workshop for Informal Educators

Monday, September 14  9:00 a.m.–4:00 p.m.
1680 East 15th Avenue, Eugene

This one-day workshop introduces participants to the newest publication in the National Project for Excellence in Environmental Education series, *Nonformal Environmental Education Programs: Guidelines for Excellence*. Participants work in small groups to put the guidelines into practice and identify ways to improve existing environmental education programs.

Who should attend? Informal educators, administrators, and program developers working to increase environmental literacy and stewardship in their communities.

Cost: $40 per person; includes lunch and materials.

Registration: Preregistration is required. Registration forms are available online at natural-history.uoregon.edu. For more information, e-mail robyna@uoregon.edu or call 541-346-1694.
