

*Join us for family learning at the library!*

# Family Engineering at the Chetco Public Library

405 Alder St, Brookings, OR

Saturday, May 6th  
12:00pm - 2:00pm

**Presented by the Oregon Coast STEM Hub and Curry County Librarians**

Bring your whole family to the Chetco Community Public Library to explore hands-on engineering activities together. Through problem-solving and creativity, this is a great way for parents to help their kids get excited about Science, Technology, Engineering and Math (STEM). It's FREE; Space is limited.
