Oregon Coast STEM Hub Community Meeting

Monday May 15, 2017
5:00pm to 7:30pm

Tillamook Bay Community College | 4301 3rd St in Tillamook

ALL WELCOME | Pizza and salad dinner included

Come help revisit and re-imagine STEM Education along the Oregon coast! The vitality of our coastal communities and our state depends on our collective willingness to work together to power student success in STEM. The Tillamook meeting is one of five meetings that the Oregon Coast STEM Hub will be holding along the coast this spring to engage coastal community members in regional STEM Education efforts. Join us!
