

Professional development for Oregon Coast educators Grades 3-8

MWEE*s by the Sea

Marine Debris Educator Workshop

**Meaningful Watershed Educational Experiences*

Saturday | January 27, 2018 | 8:30am - 4:00pm

Barbey Maritime Center, Columbia River Maritime Museum in Astoria, OR

Engage in hands-on activities from the Marine Debris STEAMSS curriculum developed for the Oregon Coast, and explore locally-available educational materials that can be checked out and used with students. The resources and best practices shared in this training will support teachers to design and implement a Project Based Learning (PBL) unit this spring.

Post-workshop Opportunities: Field trip funds and Student Watershed Symposium invitation

Space is limited | Register at <http://tinyurl.com/MWEE-Astoria>

All participants will receive a \$100 stipend upon completion of the workshop
