Join us to play

The Watershed Game

Weds, October 19, 2022

10:30AM – 12:00PM

at the **Historic U.S. Coast Guard Boathouse** in **Garibaldi, OR**

RSVP: cait.goodwin@oregonstate.edu

The Watershed Game is an in-person, hands-on simulation activity created by Minnesota Sea Grant which helps participants learn how land use affects water quality and natural resources. Experience the game for yourself and brainstorm how you might use it with youth and adult audiences.

Learn more about the game here: <https://seagrant.umn.edu/watershed-game>

BENEFITS:

- Use the game to explore teamwork, stakeholder perspectives, mitigation, resilience, and environmental justice
- Brainstorm opportunities and best practices for playing this game with different audiences, grade 6 to adult
- Get a sneak peek at the new COAST model of this game designed for Local Leaders (adults). Future facilitator trainings to come.

Plus, see your colleagues in person and have fun!

RSVP: cait.goodwin@oregonstate.edu
