

## Creating Connections at Yakona Nature Preserve & Learning Center

### What:

Professional development & field trip opportunity for  
4th/5th grade teachers/classrooms

**When:** February 24, 2024 from 9 a.m. - 3 p.m.

### Details:

Yakona Nature Preserve is a living laboratory for natural and cultural history, sciences, and the arts. Students learn about the native Yaqo'n people, colonization, and the harvest of coastal forests. They conduct community science activities, participating in age-appropriate studies that teach them about the important work they as scientists can do by gathering data. Learn how you can engage your students in this amazing learning opportunity.

Register by February 9, 2024  
by contacting [Natalie@yakonaoregon.org](mailto:Natalie@yakonaoregon.org)

Lunch and beverages will be provided.
