

Sea Floor Graveyard Pre-Survey

What do you know about the sea floor and how data is collected?

The respondent's email (**null**) was recorded on submission of this form.

* Required

1. Email *

2. Name (first and last) *

3. What do you know about how data is collected on the sea floor? *

4. What do you think caused all the dead animals on the sea floor in the video? *

5. Which topic(s) seem the most interesting to you? Choose all that apply. *

Check all that apply.

- Learning about the Ocean Observatories Initiative
- Learning about the different kinds of equipment used to collect data
- Learning about how the different data can predict what might happen to ecosystems
- Learning about what's causing the strange data
- Learning about how math helps scientists understand their data

6. Overall, rate how well you think you understand the different areas listed. *

Mark only one oval per row.

	1 - I don't understand anything	2	3	4	5 - I understand it well
Hypoxia & dead zones	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Equipment used to get oceanic data	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The purpose of OOI	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
