

The Rural STEAM Leadership Network invites Oregon's rural K-8 educators to enrich the statewide STEAM education conversation as Learning Facilitators

- Connect statewide with other educators around NGSS, STEAM education, place-based education, and rural leadership
- Build your distance facilitation skills to lead virtual professional development for other educators
- Increase your confidence to jump into regional and statewide leadership roles around NGSS and STEAM education
- Facilitate a three part NGSS series during the '21-'22 school year to hone your facilitation skills
